

Copit Privacy Policy

Copit is operated by FreaTechnology, an organization established to provide a platform for users to communicate real time locations for events happening nearby.

This policy covers how FreaTechnology treats personal information that FreaTechnology collects and receives, including internet, camera, geolocation, audio, contact information, and phone state. Personal information is information about you that is personally identifiable such as your name, address, email address, or phone number, and that is not otherwise publicly available.

Information Collection and Use

Copit collects personal information when you register with Copit, when you use the Copit app, and when you visit Copit pages.

When you register, we ask for information such as your name, email address, birth date, zip code etc. Once you register with Copit and sign into our services, you are not anonymous to us.

Copit automatically receives and records information on our server logs from your mobile phone, allowing ping privileges and map functionality.

Copit uses information for the following general purposes: to display pings on the map interface, allow users to create and modify pings, and contact you.

Information Sharing and Disclosure

Copit does not rent, sell, or share personal information about you with other people or non-affiliated companies except to provide products or services you've requested, when we have your permission, or under the following circumstances:

- We respond to subpoenas, court orders, or legal process, or to establish or exercise our legal rights or defend against legal claims.
- We believe it is necessary to share information in order to investigate, prevent, or act regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of Copit's terms of use, or as otherwise required by law.
- We transfer information about you if Copit is acquired by or merged with another company. In this event, Copit will notify you before information about you is transferred and becomes subject to a different privacy policy.

Cookies

Copit may set and access Copit cookies on your computer or mobile device.

Communications from Copit

If you provide us with your e-mail address, we may send you e-mail from time to time. All e-mails from FreaTechnology will be strictly 'opt-out' communications, and will include a URL or email address where you can unsubscribe from future mailings.

Confidentiality and Security

Your Copit Account Information is password-protected.

In certain areas Copit uses industry-standard SSL encryption to protect data transmissions.

We take security seriously and make our best efforts to prevent compromise of your personal information. In the event of a serious security breach, we will alert our registered users.

Changes to this Privacy Policy

FreaTechnology may update this policy. We will notify you about significant changes in the way we treat personal information by sending a notice to the email address specified in your Copit account or by placing a prominent notice on our site.
